

An ISO-9001:2000 Certified Manufacturer TÜV-Cert Nr.04100200111157E4

YY-5705 Middle Tower

Thermally advantaged chassis

- ▶ Meet Intel thermal requirement
- ▶ Low acoustic level, Excellent ventilation & EMI containment
- ▶ Screw less Drive Bay with quick assembly fastener kits
- ▶ Quick Add-on-card fixing
- ▶ Reusable metal cover with excellent EMI shielding for all exposed drive bays, allows system re-structuring
- ▶ Front access USB2.0 & Audio, IEEE1394 optional
- ▶ Optional Intrusion switch for system security.
- ▶ Optional Air Guide for Thermal Solution

SPECIFICATIONS

Case dimension 190mm W x 438mm D x 420mm H

Motherboard configuration ATX

Drive configuration 4 - 5.25"
2 - 3.5"
4 - 3.5"

Optional system cooling fans 1*8cm or 9cm or 12cm fan for rear-mounted
1*12cm fan for front-mounted

Expansion slots and ports Standard PCI 7 slots

Front panel control Power switch, Power LED, HDD LED
USB/Audio/IEEE1394 (Optional)
Multi-function Card reader (Optional)

Materials Recyclable materials
94HB ABS, t0.6 SECC steel

Net Weight 5.4 kgs / 11.9lbs without PSU

Color Black

Power Supply ATX12V 300W-550W

Options Cooling fan, USB/Audio/IEEE1394, Multi-function Card reader,

Packaging /Shipping 480pcs/20'container; 976pcs/40'container, 1100pcs/40'HQ
